Dear valued UL Solutions customer:

This is a system generated document.

Any information and documentation involving UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

The Follow-Up Services testing has been completed on the Special system water control valves, deluge type, Spraycon-1, 4 inch selected by our field engineer at your Technico (India) Private Limited, Kolkata, 700002, IN factory on October 04, 2023.

The following test(s) were conducted and were found to have conforming results.

HYDROSTATIC PRESSURE TEST (GENERAL)
OPERATION TEST-VALVES, DELUGE

Your continued cooperation in maintaining conformance with the applicable test requirements is appreciated.

All the submitted samples will be disposed unless you request otherwise in writing within three working days from this letter date; or different instructions have been provided previously.

If you are going to arrange or have requested sample pick-up from our testing laboratory, please advise the date/time of the visit and who we will be expecting. If you would like us to send the samples back to you instead, please provide us with the shipping account information where the shipping charges would be covered, if not provided previously.

Note: For samples containing batteries, due to the instability of tested samples, UL Solutions will not ship them back, and the only option for sample return would be for you to arrange pick up from our testing laboratory.

Should you have any questions or comments, please contact IAN T HARDER at +18476646138 or via email at FUSAdmin.FPD@ul.com.

Note: Should any of your Follow-Up Services sample testing contact information change, please let us know so our records can be updated.

NOTICE OF COMPLETION AND AUTHORIZATION TO APPLY THE UL MARK

2020-12-29

Mr. Amalendu Choudhury
Technico (India) Pvt. Ltd

Kolkata, West Bengal, 700029, IN

Your Reference: NO PO
Our Reference: File EX28158, Volume 1 Order: 13610550
Project: 4789741464
Project Scope: Quote For Revision of 29 drawings in File number EX28158

Dear Mr. Amalendu Choudhury:

UL has completed the investigation under the above project and confirmed compliance of your product(s) with UL requirements. We appreciate that you have a choice of certification providers and thank you for choosing UL.

This letter temporarily supplements the UL Follow-Up Services Procedure and serves as authorization to apply the UL Mark at the factory location(s) identified on the Authorization Page of UL File EX28158, Volume 1. You are required to send a copy of this letter to all manufacturing locations authorized under UL File EX28158, Volume 1.

The Follow-Up Services Procedure covering your product(s) will typically be provided by UL within 10 business days. Any information and documentation provided to you involving the UL Mark services are provided on behalf of UL LLC (UL) or any authorized licensee of UL.

Products that bear the UL Mark must be identical to those submitted to UL for evaluation and certification and must comply with the Follow-Up Services Procedure covering your product(s). Additional requirements related to the responsibilities of the Applicant and Manufacturer can be found under **Additional Resources** at <https://www.ul.com/fus>.

A UL certification is a valuable marketing tool meaning your product or company has successfully met stringent requirements. We encourage you to use your UL Mark and certification in your marketing activities. You can find information on how to accurately promote your UL certification at <https://www.ul.com/marketing>.

If you have any questions, please contact me or any of our customer service representatives. And, congratulations again on your achievement!

Sincerely,

Renoy Rajan
